Dear Stainless Factory Team

RE: Gourmet Garden Project

I would like to take this opportunity to formally acknowledge the contribution you have made to the new Gourmet Garden facility for the Botanical Food Company Ltd.

The new facility is a striking feature on the Sunshine Coast hinterland and this new facility provides the business with the platform from which the Gourmet Garden brand can grow to a significant global brand.

This project has been an extremely demanding and complex one which has challenged all of those involved. I would like to thank you for your hard work, persistence and patience - particularly through the most frustrating stages.

I wish you all the very best for a fun and safe Christmas and New Year celebratory season with your friends and family. I hope that 2007 is filled with load of exciting (and less demanding) challenges & adventures.

Kindest regards

Liz Muller
Project Manager
