Pinto has, on numerous occasions, employed the services of the Stainless Factory. We have found their service and their expertise to be outstanding. They have always completed work on time and they have always met, and/or exceeded, our expectations with regards quality. Furthermore the team demonstrate a delightful passion as they go about their business. When you couple these attributes with great prices you know you are dealing with a great team. We have no hesitation in recommending the Stainless Factory to any potential customer.
